- Ne pas nettoyer à sec
- Ne pas sécher en machine
- Pas de blanchisserie industrielle
- Mit einem feuchten Tuch reinigen
- Maschine bei maximal 30 Grad
- Reinige chemisch nicht
- Nicht im Trockner trocknen
- Keine industrielle Wäsche

Los líquidos que caen en la parte superior del tejido no traspasan por lo que se pueden limpiar fácilmente con un paño humedo.

The liquids that fall on the upper part of the fabric do not leak so you can be easily cleaned with a damp cloth.

Les liquides qui tombent sur la nappe, restent sur la surface donc vous pouvez les enlever avec un chiffon humide.

Flüssigkeiten, in die fallen
Die Tischdecke bleibt auf dem
Oberfläche so mit einem
Lappen können Sie sie entfernen
leicht.

Certificado OEKO-TEX® de calidad en los procesos de producción y condiciones laborales.

OEKO-TEX® certificate of quality in production processes and working conditions.

Le certificat OEKO-TEX® garantit la qualité du Produit, processus et les conditions de travail.

Das OEKO-TEX®-Zertifikat sorgt für Qualität in der Produkt, Prozesse und in Arbeitsbedingungen.
